

Celebrating 250 Years With Our Community At The Heart

This year marks a special moment in our country's story: America's 250th anniversary. It's a time to pause, reflect, and celebrate the people, places, and communities that have shaped the last two and a half centuries and continue to shape what comes next.

At Scenic Community Credit Union, we're proud to celebrate this milestone right here at home, alongside the members and neighbors we serve every day that make our community strong.

Community Has Always Mattered

If there's one thing history reminds us of, it's that strong communities don't happen by accident. They're built when people look out for one another, work together, and share common goals.

That same idea is at the heart of what we do as a credit union. We exist as people helping people and to provide financial tools and guidance that help everyday life feel a little more manageable.

Supporting Financial Peace of Mind

Over the years, families' needs have changed, but the importance of financial confidence hasn't. Our mission has always been simple and remained the same: we advance financial peace of mind within our community.

Whether that means helping a first time home buyer take a confident step forward, supporting a

local business, or guiding a family toward a more secure financial future, we're happy to play a role in your journey.

Whatever the moment, we're here to listen, support, and help you make decisions that feel right for you.

Looking Ahead Together

While this anniversary is a great opportunity to look back, it's also about looking forward. The next chapter will be written by the people who live, work, and invest in this community and we're grateful to be part of that journey.

As a local, member-owned financial cooperative, we're committed to continuing what we do best through our core values:

Trustworthy – we are intentional with our decisions and actions. We are reliable and honest.

Knowledgeable – we expertly handle the business of the credit union. We deliver excellence.

Relational – we go the extra mile to create a comfortable yet professional atmosphere. We make others feel welcome and respected.

Accountable – we willingly accept responsibility for the success of the credit union. We meet the challenge.

Thank You For Being A Part Of Our Story

We wouldn't be here without you. Thank you for trusting Scenic Community Credit Union to be part of your financial story. As we celebrate 250 years, we're reminded that milestones matter most when they're shared.

Here's to our community, our shared future, and many more years of growing together.
