EARLY REDEMPTION PENALTY ON SHARE CERTIFICATES:

Federal Regulation D, Section 2-135, requires financial institutions to have written policies if certificate funds are withdrawn prior to their maturity. SUBSTANTIAL PENALTIES, as follows, represent the policy of Scenic Community Credit Union on certificates redeemed prior to their maturity.

- 1) If the certificate term is for one (1) year or less, the penalty is the forfeiture of ninety (90) days interest.
- 2) If the certificate term is greater than one (1) year, the penalty is the forfeiture of one hundred and eighty (180) days interest.
- 3) Except, if the certificate is withdrawn or redeemed within the first six (6) days, the forfeiture of seven (7) days interest is required, per Federal Regulation D, Section 2-135.

Each certificate upon maturity will automatically be renewed for the same period, at the rate of interest being paid by the Credit Union, on the date of renewal, unless written instructions are received by the Credit Union to do otherwise, prior to the maturity date.
